ROSEMONT, Ill., June 10, 2019 — LaSalle Solutions, a division of Fifth Third Bank and a leading provider of technology lifecycle management services, announced today that CRN, a brand of The Channel Company, has named LaSalle Solutions to its 2019 Solution Provider 500 list. LaSalle placed 66th in CRN's annual ranking of the largest technology integrators, solution providers and IT consultants in North America by revenue. The Solution Provider 500 is CRN's predominant channel partner award list, serving as the industry standard for recognition of the most successful solution provider companies in the channel since 1995. The complete list will be published on CRN.com, making it readily available to vendors seeking top solution providers to partner with.

"We are extremely proud to have once again been named to CRN's Solution Provider 500 list," said Steven Robb, president of the Solutions Group at LaSalle Solutions. "We keep climbing higher up the list, which is a testament to our ability to evolve alongside our customers each year to achieve mutual success. We are working hard and not slowing down as we continue to expand our services and solutions to better meet the changing needs of our customers."

"CRN's Solution Provider 500 list spotlights the North American IT channel partner organizations that have earned the highest revenue over the past year, providing valuable resource to vendors looking for top solution providers to partner with," said Bob Skelley, CEO of The Channel Company. "The companies on this year's list represent an incredible, combined revenue of \$381 billion, a 19% gain from 2018. We extend our sincerest congratulations to each of these top-

performing solution providers and look forward to their future pursuits and successes.”
